DISCOUNT APPLICATION

Electric customers that are 65 years of age and older or FULLY DISABLED are eligible for a discount on their ELECTRIC bills. If you qualify for this discount, you will be exempt from the \$6.00 monthly customer charge and will be eligible for the early payment discount (20% of Distribution Charge portion of your bill) even if the bill is paid later than 15 days from the billing date.

Customers requesting an Elderly discount must provide proof of age, such as a birth certificate or driver's license.

Customers requiring a Disability discount must provide proof of full disability, such as a doctor's certificate, an award letter from Social Security or Veterans Administration. The Commission defines "fully disabled" as being unable to engage in substantial, gainful activity because of physical or mental impairment, which lasted or will last, at least 12 months.

Your residency must be verified by any form listed above or by an electric bill. Electric service must be in the customer's name.
